## Job Description

---

Are you looking for growth-driven **Finance Executive jobs in Delhi NCR**? **IndoBevs**, India's new-age spirits and beverage company, is hiring a motivated **Finance Planning & Analysis - Senior Executive** to join our dynamic finance team. This is an exciting opportunity for a **Chartered Accountant (CA)** or **Cost Accountant (CWA)** to gain hands-on exposure to core finance functions in a fast-growing, innovation-led company. If you're passionate about numbers, eager to learn, and ready to play a critical role in business performance and financial planning, this role offers a solid career path with growth, learning, and impact.

## About IndoBevs

At **IndoBevs**, we are shaking up the Indian spirits industry with innovation, creativity, and bold new-age energy. We're not just about liquor; we're about creating experiences that leave a lasting impression. From smooth whiskeys to bold, refreshing gins and our revolutionary product **BroCode**, we're rewriting the rules of the beverage world.

But beyond our products, we're building a team of driven professionals passionate about excellence, innovation, and making an impact. With operations rooted in quality and a vision to lead the new-age liquor space, **IndoBevs** is the perfect place to fuel your career growth.

## Role Overview

We are seeking a detail-oriented and proactive **Finance Planning & Analysis - Senior Executive** to join our growing Finance team. The ideal candidate will be a **CA or CWA** with strong analytical skills, a passion for financial performance, and a hunger to learn and grow.

This role offers a unique opportunity to develop expertise across business performance analysis, treasury, supply chain finance, and scenario modeling, while working closely with leadership to support strategic decision-making.

## Key Responsibilities

### Business Performance & Financial Planning

- Prepare and maintain **Daily MIS reports**, analyze key financial and operational metrics.
- Conduct **variance analysis** to track deviations from budget and suggest corrective actions.
- Develop and present **financial dashboards** to aid internal business reviews.
- Support **forecasting, budgeting, and financial scenario modeling** for business planning.

### Treasury & Cash Flow Management

- Assist in **daily cash flow preparation** and tracking of fund movements.
- Support **bank reconciliations**, fund utilization reports, and investment monitoring.
- Provide insights for optimizing **working capital cycles**, including receivables, payables, and inventory management.

### Cross-Functional Collaboration

- Work closely with **operations, procurement, and sales teams** to gather financial inputs.
- Participate in **ad-hoc financial analysis**, business case preparation, and special projects.
- Contribute to building robust financial processes and ensuring accuracy and compliance.

## Candidate Requirements:

### Candidate Must Have:

- **Chartered Accountant (CA)** or **Cost Accountant (CWA)** qualification.
- Strong analytical skills and ability to interpret financial data.
- Proficiency in **MS Excel**, PowerPoint, and financial modeling tools.
- Solid understanding of **accounting standards**, financial statements, and reporting processes.
- Excellent **communication and interpersonal skills** to engage with cross-functional teams.
- Ability to work under pressure, meet tight deadlines, and handle multiple priorities.
- Self-motivated, detail-oriented, and eager to learn.

### Preferred (Not Mandatory):

Exposure to **ERP systems** like SAP, Oracle, or Tally.

Internship or work experience in **manufacturing, FMCG, alcobev**, or **finance consulting** industries.

## What We Offer

- Competitive salary package with performance-linked incentives.
- Opportunity to work in a **fast-paced, high-growth** organization redefining the liquor space.
- Exposure to core finance functions, strategy, and cross-functional collaboration.
- Learning environment to develop expertise in **FP&A, treasury**, and business finance.
- Collaborative, energetic, and innovation-driven company culture.
- Career advancement opportunities for high performers.

## Why Join IndoBevs?

At **IndoBevs**, we believe in doing things differently. We are disrupting the traditional liquor industry with bold ideas, high-quality products, and an unshakable focus on excellence. Our team is our biggest strength, and we are committed to empowering professionals with opportunities for growth, learning, and real-world impact.

This is your chance to be part of a company that combines **the excitement of the beverage industry** with the **discipline of strong financial management**. If you're ready to sharpen your finance skills, contribute to business decisions, and grow with a high-performing team, **IndoBevs** is the place for you.

## Finance Executive Jobs in Delhi NCR – An Ideal Career Move

### This role is ideal for finance professionals seeking:

- Hands-on experience in **FP&A**, business performance, and treasury.
- Exposure to the fast-paced, growth-focused **alcobev** industry.
- Career growth in a modern, performance-driven company.
- The chance to work closely with leadership and contribute to strategic decisions.
- A dynamic work environment that rewards initiative and excellence.
